New Year's Eve 2018/2019

December 30th to January 1st

Circular Time

The New Year's celebration is perhaps the moment when the idea of a circular time overlaps the linear timeline of our daily lives. Time is perceived in a different manner: it goes all the way back to the starting point. At Companhia das Culturas, we propose simple things, but not necessarily obvious ones. An experience in the *Hamam* with essential oils from the Sierra perfuming the air, the waters, and the homemade cookies. A yoga class embodying time. Brunches, dinner and late-night supper as if one is tasting the landscape itself – clams from the Ria Formosa, fish from the coast, meat from the hillsides, sweets from the Barrocal and Sierra. And finally, the sound of two distinct generations firing up the New Year's vibes: Mesquita & Laura - father and daughter, are considered to be musical gold-diggers of vinyl records.
